**MR Credit 5.1: Regional Materials**

**MR Credit 5.2: Regional Materials**

MFM Building Products Corporation *Roofing Underlayments and Window-Door Flashing* materials are manufactured in Coshocton, Ohio (43812) in North America. If this location falls within a 500-mile radius of the project site then these materials or a portion of the materials can contribute to earning Materials and Resources Credit 5.1 and Credit 5.2.

**EQ Credit 4.2: Low Emitting Materials, Paints & Coatings**

EQ Credit 4.2 pertains to products that are to be used in the interior of a building. MFM Building Products Corporation *Roofing Underlayments and Window-Door Flashing* materials are applied onto the exterior of a structure and therefore would not contribute to this credit.

If additional information and clarification is required, please feel free to contact me or an MFM Sales Representative at your convenience.

Sincerely,
